Sustainer- \$500

**GLORY**  
CENTER  
GLORY CENTER  
9812 Walnut Street  
Bellflower, CA 90706

The Glory Center is pleased to invite you to participate in the Miracle Seeds Growth Campaign. We believe God would have us see supernatural expansion for our churches, ministries, finances and for every member. After facing headwinds in the last decade with a 6 1/2 year battle with the City over our property and a pandemic that closed the church doors for 1 1/2 years (except for online ministry), we are ready to now grow & expand!

We invite you to participate as follows: 1) Sow financials seeds through pledges and one time donations so that our church can meet increased fixed costs and cover expansion of ministry in church plants, online ministry and administrative help; 2) Water the seeds sown in prayer as we believe for miracles to take place; 3) Invite friends, family members and co-workers to church on Sundays as we believe for our church to double in Sunday attendance to 120. Thank you for being a part of this miracle growth!
